## November Board Meeting

## The Articles for This Month

### The Board

The photograph above was taken Tuesday and shows part of the 2017 board for the last time. There will be elections Saturday, (but not much will change). Nominated for the board with primary responsibility for the club house will be Randy Adamson, KE5EMP. Nominated for secretary will be Kyle Gesswein, KY2LE. These positions are two of the most important on the board

The past board meeting was longer than usual because some important items were discussed. One of these was the issue of legal incorporation. Several steps will be taken to make sure that all the legalities of incorporation will be filled. One of the other topics discussed covered the scholarship which the club sponsors at NMSU. The agreement with the university as discussed to make sure that everybody was up-t-date and agreed with the terms. It was also announced that the Christmas dinner will be held at the Golden corral at 5 PM on December 2. The beanfeed will be May 4, antenna measuring party May 19, and Field Day June 23 and 24. More details coming.
