Testing

The Articles for This Month

jULY 2

Monitoring and giving FCC test is one of the best interactions the club can have with possible new members. Here two of the three monitors are shown.

NM QSO Party

Note from WA5DDJ about the award which N5BL received.

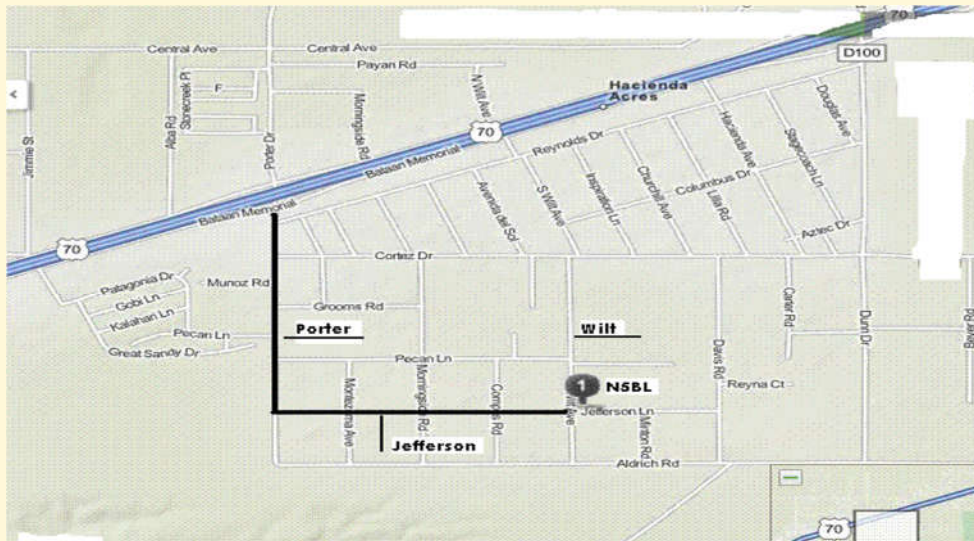

To the Group that worked the NM QSO PARTY I hope you can come to the meeting tomorrow. I received the plaque from Brian yesterday. I would love to have you stand up in the club meeting and be recognized for the hard work you did during the Contest. We won that one with a good score in spite of the Geomagnetic field issues we ran into during the operation. You all did a really great job. So I hope you can attend and be recognized.

Participants can get a certificate at the following URL

<http://www.newmexicoqsoparty.org/wp/participant-certificates>

CLUB INFORMATION

The MVRC Clubhouse is located at the intersection of Wilt and Jefferson. To find the clubhouse, set your destination on your GPS receiver as 32 degrees 22.961 minutes and -106 degrees 41.44 minutes. If you don't own a GPS, take the Porter exit near the firehouse on US 70. It is about 5 miles east from the I 25 interchange. Go south on Porter until you come to Jefferson. There turn left toward the mountains and go to Wilt. You will see the beam on the corner. The treasurer would be delighted to receive your contribution for landscaping and furnishing. More information at <http://n5bl.org>
